Service Pins Awarded Hospital Pink Ladies

Twenty-five members of the Woman's Auxiliary of the Everglades Memorial Hospital received Auxiliary Service Pins, designating 100 or more hours of volunteer hospital work, at the November meeting of the Auxiliary held in the dining room of the hospital Tuesday night, with President Marjorie Laks presiding.

Included in the group were Marion Bleech, Margaret Fanjul, Oni Fay Ursry, Marjorie Laks, Eula Tillis, Alice Ramey, Barbie Rosenberg, Thelma Crady, Lillie Duke, Cornelia Chase, Eloise Watson, Sue Rozelle, Nola Nagler, Agness McClelland, Becky Kepp, Marion Hatton, Laura Justice, Sheila Ames, Grace Maxson, Eloise Unwin, Benice Sheppard, Frances Weeks, Marilyn Pototek, Paula Story and Sharon Richardson.

Stressed at the meeting was the necessity of paying membership dues for the 1966-67 year immediately, as the Auxiliary Year Book, listing the names of members, will be printed in January, and the names of those who have not paid their dues to Mrs. Judy Walker, treasurer, by January 1, (the absolute deadline) will be omitted from the membership roster.

Mrs. Marion Bleech gave a report on the State Conference of Hospital Auxiliaries which she attended in Jacksonville, November 16-18. She concentrated her attendance at the conference to sessions relating to service, and said that delegates from 57 of the 93 hospital auxiliaries in Florida were present. She also stated that the 12,000 members of hospital auxiliaries in the State gave 1,500,000 hours of volunteer service to hospitals and raised approximately \$500,000.00 through fund-raising projects for the benefit of hospitals in Florida during the past year.

President Marjorie Laks also reported on activities at the conference, telling of the sessions relating to fund-raising projects which she attended. The Auxiliary voted to pay registration fees and hospital rooms for two delegates (the president and vice president, or their alternates in case they cannot attend) at all future State Conferences.

Miss Faith Sasser, corresponding secretary was appointed to serve also as chairman of the sunshine committee. Other members of the committee are Mrs. Linda Ter Haar and Mrs. Sue Rozelle.

J. C. Simonds, Jr., hospital administrator, asked for 12 Pink Lady volunteers, who are to respond at any time, day or night, to emergency duty at the hospital in times of local disaster. Those who volunteered at the meeting to respond to such emergency calls for hospital duty were Marjorie Laks, Esther Hundley, Judy Walker, Alice Ramey, Sheila Ames, Marion Bleech, Faith Sasser, Eloise Watson, Billie Shirley, Sue Rozelle, Inez Reeves and Kay Simonds. Each will be issued a special pass for admittance to the Everglades Memorial Hospital at all times under any circumstances.

The group voted \$20 for materials to be used in decorating the

hospital building and grounds for the Christmas season, this being an Auxiliary project under the direction of Chairman Alice Ramey. Mrs. Ramey gave a report on the progress that has been made on another Auxiliary project of which she is chairman, obtaining furniture and other needed materials for the hospital's pediatrics ward.

She expressed the Auxiliary's gratitude for the following donations now in use in the ward: Two large rocking chairs, donated by Glades Mercantile Company and Samuel Senter Farms, Inc.; two small rocking chairs and two blackboards, donated by Cater Furniture Company; two sets of small tables and chairs, donated by Pahokee Prescription Shop and Mr. and Mrs. William S. Plummer; two small straight chairs, donated by Kimberly Branch; one small red ranch wagon for transporting children to and from the x-ray room and laboratory, donated by B. A. Russell Co., Inc.; and a cash donation for the purchase of educational toys by Mr. and Mrs. F. L. Laks.

Mrs. Laks reported that Mrs. Charles Moore, director of Candy Strippers at the John F. Kennedy Hospital, will meet with local Candy Strippers at the hospital Saturday, December 3, at 10:00 a.m. to discuss with them new and inspiring ideas relating to their work at the hospital.

It was voted not to hold a regular meeting in December, the next meeting to be Tuesday night, January 31.

It was also voted to organize a special committee for a fund-raising project, details of this project to be announced later. Mrs. Eloise Watson volunteered to serve as a member of the committee.

Mrs. Sheila Ames had on display hand puppets, and at the close of the meeting a workshop was conducted to make several of the puppets, which will be given to children for their entertainment while they are patients at the hospital and as gifts to take home when dismissed.

Elks hope to have good attendance at this very important "Open Ritual" ceremony.

Beans Killed, Potatoes Hurt In Cold Spell

In the first severe cold spell of the 1966-67 farming season, beans in the Glades area were severely in the first three days of the week, drubbed by the weather during Tender snap beans are one of the crops easily damaged by cold spells. They can't stand much cold weather and frost is their undoing and that was the case this week.

Several hundred acres of corn were damaged by frost and ice Tuesday and Wednesday morning. Several fields of potatoes were damaged also on the same mornings.

A little bit of good comes out of every cold spell. The price goes up on remaining crops and a handful of farmers make extra profits on crops that escape the weather. Sugar cane is one crop that has been helped this week by the cold snap. Sucrose content is boosted in the sugar cane when a cool spell such as was experienced this week comes along.

Beginning in 1942 when two games were played each year, one home and one away, the Blue Devils won the first four games by scores of 25-0, 27-7, 39-0 and 39-0. In 1944, a 7-7 tie was the outcome of the game; in 1945 the Blue Devils won again by a score of 12-6. In 1946 and '47 Belle Glade defeated the Devils by scores of 13-0 and 14-7 and in 1948 the Blue Devils again won by a score of 26-14.

In 1949, the Golden Rams won by a score of 12-0 and in 1950 another tie with the score 12-12 was played. In 1951 and 1952, the Rams won by the scores of 19-7 both years and in 1953, '54 and '55 Pahokee won 41-12, 26-12 and 27-7. Population Is Growing In Florida

A weekly average of 1,923 new Florida residents from out of the state have been added to the state's population during the past year, the Florida State Chamber of Commerce reported in its Weekly Business Review released yesterday.

"This weekly gain is net and represents the number of new incoming residents in excess of persons who may have left the state. The previous year's weekly increase from this source was 1,692. Both figures are based on the annual estimates of Florida's population made by the U. S. Bureau of the Census. On July 1, 1966 the estimate placed Florida's population at 5,941,000; for 1965 it was 5,786,000.

"Between these two dates Florida's resident population grew by 146,000 persons; 100,000 were newcomers and 46,000 were from natural increase. The natural increase of resident births in excess of resident deaths was reported by the Florida Bureau of Vital Statistics and amounted to 865 per week. This represented a drop from the previous year's figure of 1,038 as Florida follows the natural trend of declining birth rates.

"Natural increase plus newcomers from outside Florida pegged the state's total weekly gain in population at 2,788 last year compared with 2,730 during the previous year."

Elks Ritual Contest Held In Lauderdale

The District Ritualistic Contest was held according to schedule on Sunday, November 27, in Fort Lauderdale, with four teams competing. Although the Pahokee team did not manage to win they finished only about one and one-half points behind Riviera Beach, who retained their title of District Champions, and who will represent the District in the State Contest in May.

Pahokee placed two men on the "All District Team." Leading Knight Richard K. Ames with 90.835 and Lecturing Knight Don T. Adams with 91.112.

President "Jimmy" Vann will make his official visit to the Southeast District in Fort Lauderdale Lodge No. 1517 on Saturday, December 17. It is hoped that a large delegation from the Pahokee Lodge will accompany Jimmy on this visit, which will be open to the Ladies, and arrangements are being made to charter a bus if enough reservations can be obtained.

Mr. and Mrs. Harlow Sims had as their guests on Thanksgiving Day their daughters and sons-in-law, Mr. and Mrs. Charles Moore and Mr. and Mrs. Bill Jackson and daughters, Lisa Diane and Elizabeth Ann, all of West Palm Beach.

Major Changes Proposed In Constitution

Thirteen major changes and additions to the new Florida Constitution have been recommended by the Government Research Council which expressed disappointment in a government commission's proposals.

The deficiencies of the present Constitution are both documentary and substantive, according to Daniel S. Paul, president of the council, which is an arm of the Miami-Dade County Chamber of Commerce.

The Council suggested:

1. Annual instead of biennial sessions of the Legislature to handle the heavy legislative workload.
2. An appointive rather than elected cabinet to provide the governing authority commensurate with its responsibilities for administering a growing state.
3. A fair legislative apportionment method to insure equitable representation.
4. Election of a lieutenant governor to provide for an orderly succession in the event the chief executive is incapacitated or dies in office.
5. A two term limitation for the governorship rather than one to provide continuity of proven popular leadership.
6. A single unified court system rather than numerous courts which currently exist.
7. Appointment of a legislative auditor to conduct an independent audit of state government spending.
8. Lowering of voting age from 21 to 20 years to extend to young citizens privileges consistent with educational qualifications and adult responsibilities.
9. A broad home rule provision, plus inclusion of the Dade Home Rule Amendment, to broaden self-rule power.
10. Removal of tax prohibitions and exemptions from the Constitution, with such authority being contained in state statutes.
11. Removal of the distribution formula for gasoline and pari-mutual taxes from the Constitution to enable the Legislature to provide a fair distribution of such taxes.
12. A single civil service system, rather than a number of departmental systems, to provide a unified state personnel system.
13. Provisions for amending the Constitution through legislative proposal, initiative and by Constitutional convention to provide for easier amending procedures.

1,000 Voices Sing Music Of Christmas

A thousand high school singers from Florida Gold Coast and South Central Florida schools will take part in the fourth annual "1,000 Voices Sing the Music of Christmas," to be presented Sunday, December 11, in Chapel-by-the-Lake, West Palm Beach.

Again this year the program will be taped for Christmas Eve viewing on northern television stations, reaching an estimated 15,000,000 persons.

Stan Doyle, WPTV-TV executive who is producer-conductor, will launch the hour-long program at 2:30 p. m. There is no charge and the public is invited. Previous years have seen overflow crowds.

"We are very fortunate to again this year have Ernest Chappell, nationally known TV and radio announcer as our narrator," said Doyle, "and tenor Hugh Albee, professor of music at Palm Beach Junior College, as our soloist."

The Yule music will be sung in the magnificent open-air setting of the Chapel, against a background of palms, rippling water and yachts at anchor.

The young people, all wearing the uniforms of their individual schools, will sing modern, traditional and religious selections.

Among the schools participating will be Belle Glade High School.

Christmas Mail Rules Announced

Postmaster Edythe Smith of the Canal Point Post Office announced this week that all first class mail, personal sound recordings and parcels weighing five pounds or less and measuring more than 60 inches in length and girth combined, will be airlifted on a space available basis between the United States and all military post offices overseas.

Also, under Public Law 89-725—the Dulski Military Mail Act—second class publications such as newspapers and magazines published weekly or more often, and featuring current news of interest to the military, will be airlifted from San Francisco to the armed forces serving in Viet Nam.

To speed up separation and delivery of these parcels falling in the above mentioned category, Postmaster General Lawrence F. O'Brien directed that all parcels be clearly marked upon acceptance at the post office with the letters SAM (surface airtail mail). This will eliminate the task of reweighing and measuring the parcels at the San Francisco Concentration Center prior to dispatch to Viet Nam or other overseas military post offices.

Postmaster Smith also reminded mailers that Christmas parcels weighing five pounds or under should be mailed no later than December 1. Airmail should be sent no later than December 10.

Combination License To Hunt And Fish

Tallahassee — More than three thousand additional Florida sportsmen have joined the ranks of those combination hunting and fishing who take advantage of the special license. These license holders will not have to make a special trip to the office of the County Judge or license agent when they decide to go fishing next spring.

According to a recent report from the fiscal division of the Game and Fresh Water Fish Commission, sales receipts for the Series A-K combination hunting and fishing license is \$37,480.50 over a similar period in 1965. The combination license allows hunting and fishing throughout the state from July 1 through June 30 of the following year.

O. E. Frye, Commission Director, said, "Many sportsmen purchase only hunting licenses at the opening of the hunting season and wait until spring to obtain their fishing licenses. To many, this delay is costly when they are faced with prospects of a good fishing trip and no license."

Frye added, "A hunting license is required for taking all game and fur bearing animals even those without a closed hunting season, such as rabbit, fox, raccoon and bobcat."

The price of the Series A-K combination license is the same as the state hunting and fishing license purchased separately and was created as an added convenience for the sportsman.

Now— U. S. Savings Bonds Pay More Interest

4.15% when held to maturity

*Higher interest on the
Bonds you already own, too!*

U.S. Savings Bonds are a better way to save than ever

Because now all Series E and Series H Bonds bought after December 1, 1965, will earn the new, higher interest rate of 4.15% when held to maturity. That's only 7 years for Series E—9 months quicker than before. All H Bond interest checks will be larger beginning in June 1966.

And your outstanding Bonds will earn more, too, from now on. So, you don't have to cash in your present Bonds to get the attractive new rate.

Ask about buying Bonds where you work or bank. For America's future. And yours.

"Today, none of us can remain aloof on the sidelines."

"Today, above all, is a time for all Americans to rededicate themselves to the spirit that animated the Minutemen of Concord—who serve as a symbol of the Savings Bond program. For today, as at the founding of our nation, it is freedom which is again at stake. Not all of us are called upon to fight in the jungles of Vietnam, but while our men are there, in the front lines of a distant land, none of us can remain aloof on the sidelines. We must all do our share—in every way we can—to support our men in Vietnam. One sure way is open to all Americans through the Savings Bond program."

A message from the Treasury of a free people

How to speak out for freedom today

Free men have never gone in much for silence. Even before the first thirteen States became United States, men were speaking for freedom loud and clear.

Today Americans speak out for freedom many ways—in Congress, in local government, in neighborhood activities. Some speak out for freedom in other languages, in other lands. And millions of Americans speak out for freedom every time they buy U.S. Savings Bonds.

Every Savings Bond you buy is an investment in freedom. While you're saving money for your

own family's future, you're helping Uncle Sam tend to the business of keeping men free today.

Perhaps you don't speak out for freedom in the same tone of voice when you buy a Bond as Patrick Henry did in his famous speech. But you speak every bit as surely. And every bit as proudly.

Why not speak out for freedom now? Buy Bonds at the bank or on the Payroll Savings Plan where you work.

Keep freedom in your future with
